Service

Missionary Representative

August 2016 - August 2018

Church of Jesus Christ of Latter Day Saints

During two years I had the opportunity to be a missionary representative for my church in Barcelona, Spain. During these two years I had the chance to give service to the people of Spain. I grew a deep love for the rich culture and beautiful country of Spain.

Skills gained and achievements:

- Developed communication and people skills.
- Was responsible for training, motivation, and supervising over 17 fellow full-time volunteers over a seven-month period.
- Learned to be hard-working, reliable, and punctual.
- **Language:** Spanish, proficient oral and written

Eagle Scout

2006 - 2013

BSA

I achieved my Eagle Scout when I was 18 years old. For my Eagle Project, we helped the parks department of Tacoma, Washington. We were tasked with constructing a 40 foot fence in between a pedestrian trail and a bikers trail.

I learned the following traits from achieving my Eagle Scout:

- Leadership
- Discipline
- Teamwork
- Communication
- Project Planning
- Time Management
- Hard Work Ethic
